Thanks to the **Pierce** and **Tompsett** families for running the 100 Club this Saturday.

This is during the school holidays and will be held in conjunction with the Tura Beach Junior Open. Make sure you let Luke Grinham know if you wish to play.

Wednesday Cadets – Wednesday 19th September

25 Cadets attended on this beautiful afternoon. Mal had a huge group of **Jonathan, Cooper, Keith, Felix, Xavier, Ryley, Haisu, Thor, Lucas** and **Dylan** on the range, so I took small groups to the chipping green to do some chipping work. All the boys were very enthusiastic this afternoon.

Archie, James C and **Nick** played a few holes with Helen. They played a couple of holes ambrose and did really well before playing a hole individually.

Kathy took out **Bill, Lachlan** and **Max** and played 5 holes with Stableford scoring. All boys played really well with **Max** finishing extremely well.

Brianna, Lily and **Kruz** played 2 holes individually and 1 hole ambrose. They continue to improve each week.

Sophie B, Bronte and **Neve** played 4 holes and all hit some lovely shots. **Sophie** had a great one putt on the 3rd. Mel was really impressed with how the girls encouraged each other after hitting good shots and how well behaved they were. Well done girls!

Cadet Master Keith took out **Matt, Jacob** and **Oliver** for a few holes starting on the 8th, then 9, 1, then 9 again. Keith was very impressed with all three as they focussed and tried their best, and this resulted in many good shots. **Matt** hit a great shot onto the 9th green from 100 M out. **Oliver** also hit the 9th green from 80 M out. **Jacob** was the stand-out for today with a genuine 5 strokes on Hole 1, as well as winning the putting shoot-out on the 1st green. Excellent golf **Jacob**. Keith said it was a pleasure taking these three boys out.

Thursday Cadets - Thursday 20th September

Stephen, Julian & Dylan attended this week and worked on a variety of shots on the range with Bruce. They used 5 irons, 8 irons and wedges. They moved to the chipping green and once again played a variety of shots with the same 3 clubs. This forced the boys to work on adjusting the length of their backswings. They finished with a putting challenge and **Julian** was the winner on the day.

Junior Clinic –

There was no Junior clinic this week.

Good luck to **James** who is playing in the Far South Coast Junior Pennant team in a match against Kiama on Sunday.

See you next week.
