

Juniors/Cadets – Week 7, Term 3

100 Club – Saturday 1st September

Thanks to the **Rogan** and **Hyam** families for running the 100 Club this Saturday. These two families both jumped in at the last minute to fill the roster.

MyGolf Registration Forms

We are still chasing up the MyGolf forms handed out a few weeks ago. Please return next week or pick up a new form if you have misplaced it.

By registering we join other clubs throughout Australia and may be able to gain assistance from Golf Australia in running our program.

More information can be found at www.mygolf.org.au.

Wednesday Cadets – Wednesday 5th September

We had 22 Cadets attend this week. **Thor** turned up to say hi but unfortunately, he is out of action for a few weeks with a footy injury to his elbow. We wish him all the best for a speedy recovery.

Mal took the advanced group of **Sophie E, Bill, Lachlan, Max** and **Jacob** to the range to fine tune their basic skills, where they were joined by **Dylan M**.

Cadet Master Keith took **Haisu, Cooper** and **Ryley** out for four holes. The first hole was a struggle but over the next few holes their game improved and good contact with the ball was made. You can see the resulting smiles on all three faces. **Cooper** and **Ryley** should have won a 'rock' award when they both hit a small rock when chipping onto the 3rd green. **Cooper** won the award for the round by hitting a magnificent shot across the water into the middle of the 7th green. Well done boys.

Our JPO, Jason took our **Felix, Keith** and **Xavier** to play holes and followed with a putting contest. Jason was most impressed with **Xavier's** putting skills. It is fantastic to see his consistent improvement.

Helen set out onto the course with **Nicholas, Luke** and **James C.** They played the 1st, 2nd, 6th and 7th holes in an ambrose format. Helen set a goal for each hole and they achieved or bettered it on every hole. They must have been having so much fun as they didn't make it back in time for our little presentation. We owe **Nicholas** a prize for his good, all round hitting and putting.

Sophie B and **Kruz** did some putting, hitting in the nets and played 2 holes with Cadet Master Mel. Both hit some beautiful shots and **Kruz** won the putting comp.

A huge thankyou to our Junior Captain **James D** for taking out **Jonathan** and **Archie** this week. We were a little short on Cadet Masters this week and it is wonderful to see James helping us out. **Jonathan** had a great score of 7 on the 8th hole and **Archie** was on the 9th hole for just 5 hits. Great work boys!

I had the pleasure of working with **Neve, Bronte** and **Brianna** this week. We did some intensive work on putting before playing the 7th hole twice from different positions. The girls have excellent putting strokes but need to remember to concentrate on every putt as it is so important for keeping the scores down. Congratulations to **Brianna**, who hit the 7th green in one shot from both the positions we played from.

I am really pleased to announce that we have 5 Cadets playing in the **JOM tournament** at Pambula/Merimbula this Sunday. This is a great effort as it is a long way to travel. We wish **Sophie B, Kruz, Bronte, Neve** and **Keith** the best of luck.

Thursday Cadets - Thursday 6th September

Dylan, Julian, Kasper, Oliver and **Felix** attended this week and did some bunker work with Bruce. The boys all learnt how to get the ball out of the bunker and were playing some great shots. Afterwards they did some chipping practice and finished with some putting.

The putting competition was very close with **Dylan** taking it out on the last putt.

Junior Clinic - Friday 7th September

James, Sean and **Sophie** attended this week. After some work on the range Bruce took **Sophie** and **James** to do some chipping whilst Mal continued to work with **Sean** on the range.

See you next week.
