

Juniors/Cadets – Week 1, Term 4

100 Club – Saturday 29th September, 6th and 13th October

Thanks to the **Gagetti, Su, Rogan and Powell** families for running the 100 Club over the last few weeks. Also, thanks to **Peter Higgs** who filled in at the last minute even though he is recovering from illness. It has been a wonderful year for the 100 Club having so many parents come on board and volunteer their time for our major fundraising program. There are not many Saturdays left that are unfilled so please let us know if you can do one of them.

PGA Seniors Clinic – Wednesday 10th October

Unfortunately, this clinic fell in the holidays this year so we did not have as many kids attending as in recent years. However, the seven cadets that attended had a great time and appreciated the coaching they received from the Senior Professionals.

Tura Beach Junior Open and Juniors On The Move - Wednesday 10th October

Four cadets **Bronte**, **Sophie B**, **Lily** and **Neve** played at Tura Beach in the Juniors on the Move. Everyone played well and enjoyed the day. **Bronte** had a personal best 52 and finished 4th in the nett event with a 32 (on a count back). The other girls placed 6th, 7th and 8th. What a great effort for these girls to travel so far to play in this event.

Sophie E played in the 18 hole stableford event and was runner up with 28 points missing out by just 2 points. The course played very tough for the juniors with no one playing to their handicap.

Wednesday Cadets – Wednesday 17th October

We called off Cadets due to a storm that came over at 3 pm and the radar looked pretty bad for the afternoon. As it turned out the rain blew over fairly quickly and we could probably have got through ok. Thanks to those parents who turned up, for their understanding.

A reminder that you should call the pro shop if you are unsure whether Cadets will be on or not. We will try to email everyone by 2.30 pm if we have made a decision by then.

Thursday Cadets - Thursday 18th October

Stephen, **Julian** and **Archie** attended this week and worked on the range with Bruce. The goal was to aim at targets and work on getting the direction of their shots correct. Afterwards they moved to the putting green where they worked on skills and had a 9 hole putting competition. **Archie** was the winner.

Junior Clinic – Friday 19th October

Sophie and **James** were our only Juniors in attendance this week. After hitting some balls on the range they practiced bunker shots.

See you next week.
