

Juniors/Cadets – Week 10, Term 3

100 Club – Saturday 22nd September

Thanks to the **Hancock** and **Cox** families for running the 100 Club this Saturday. A special mention to Jeff Cox who turned up on crutches after recent knee reconstruction surgery. An awesome effort! - Thanks Jeff.

PGA Seniors Clinic – Wednesday 10th October

Many of you will remember our visit from the Senior Pros last year as seen in this photo below.

They will be back again this year and holding a special, free clinic on Wednesday 10th October from 4 -5 pm. Anyone interested needs to call the Pro Shop on 4472 4386 and put their name down so we know numbers.

Tura Beach Junior Open and Juniors On The Move - Wednesday 10th October

Good luck to our Juniors and Cadets that are playing in this event during the school holidays.

Jumping Castles at Club Catalina

There will a jumping castle set up on the 1st tee again this weekend Sat 29th Sept and Sun 30th Sept (11am – 4pm) to celebrate Oktoberfest. Come along and have some fun!

Wednesday Cadets – Wednesday 26th September

Numbers were down a bit this week due to poor weather and school camps. We had 14 kids in attendance and a beautiful afternoon and it was good for the course to get some rain in the morning.

Mal worked with **Bronte, Brianna, Lily, Sophie B** and **Dylan** this week. They went to the 27th green and worked on chipping and putting skills. The chipping was very successful with all picking up the skill very well. **Dylan**, our newest Cadet played some great chip shots. **Brianna** was the putting star of the day.

Felix, Oliver and **Lucas** played 3 holes of ambrose. **Lucas** did amazingly well for his first time out on the course and contributed well to the team. **Felix** started the day with an awesome tee shot and managed to reproduce it when Don wanted to take a photo. Once again Mel commented on the beautiful manners of the boys she had.

Kathy took out **Bill, Jacob** and **Max** and played 6 holes. All boys played exceptionally well. **Bill** had a par on the 7th and **Max** had a 5 on the difficult 9th hole. I had the pleasure of watching them play a few holes and the standard they have finished the term on is fantastic. Well done boys!

Archie, Nick and **James** went out with Cadet Master Keith and worked hard at their golf; with good results. They played a modified Hole 7, Ambrose on Hole 8, and modified Ambrose on Hole 9. All boys scored an Ambrose point on Hole 8. **James** has a flowing swing and hit two beautiful 7 irons on hole 9. **Nick** said after his drive on hole 9 'I have hit my best drive ever'. **Archie** continued to amaze with his putting. He is becoming the master of the long putt! In the nets the boys continued to strive for sweet/clean hits, where they received a score out of

10 based on the sound of the impact. This was followed by a stint on the chipping green. Well done boys you really focussed on your golf. **Archie** won the prize today for wearing the biggest smile, combined with a `ton' of energy!!

Thursday Cadets - Thursday 27th September

Stephen and **Dylan** attended this week and played holes. Below are a couple of photos from last week on the range.

Junior Clinic – Friday 28th September

With only **Bill** and **James** in attendance this week Mal decided to take the boys out to play a few holes. They both hit the ball well.

See you next week.
