

## Juniors/Cadets – Week 4, Term 4

### **BBQ Fundraiser – Saturday 2nd, 3<sup>rd</sup> & 4<sup>th</sup> November**

A huge thankyou to the parents and supporters of our Juniors that turned up to help at our BBQ on these three days. Our wonderful parents **Dimity Collier, Karen Brennan** and **Kylie Warren** who always jump in when needed and members **Geoff Thornthwaite, Lyn Spanomanolis** and **Steve Bulger** who always support our Program. A huge thankyou to Cadet Master **Bart Gannon** who gave up his time on all three days to organise this BBQ.

### **Juniors On The Move – Moruya Sunday 11<sup>th</sup> November**

Good luck to all our Cadets playing in this event on Sunday. At last count we had 9 of the 10 competitors entered from Catalina.

There are places still available so contact Luke Grinham on **0458 626 621** if you are interested.

### **Wednesday Cadets – Wednesday 7<sup>th</sup> November**

Unfortunately, Cadets had to be cancelled again due to stormy weather.

### **Thursday Cadets - Thursday 8th November**

6 cadets attended on Thursday with Bart and Don taking 3 each and playing an Ambrose event.

Don took **Jonathan, Felix** and **Oliver** and was really impressed with **Jonathan's** improvement since last seeing him play.

Both **Oliver** and **Felix** showed glimpses of good golf and **Felix** is looking for a 5 iron to replace the one he snapped the head off on the 9th hole!

Unfortunately, as we go to print I am not sure who the other 3 Cadets were. I will update you next week.

### **Junior Clinic – Friday 9th November**

**James** and **Sophie** attended this week and after some work on the range Mal took them out to play a couple of holes.

See you next week.
