

Juniors/Cadets – Week 9, Term 4

100 Club – Saturday 8th December

Thanks to Don Wallace for running the 100 Club this week as we had no volunteers. This is a great opportunity to thank Don for the hard work he does throughout the year. You are awesome Don and we couldn't do it without you!

Junior Presentation and Ambrose Fun Day – Wednesday 19th December

By now you should all have emailed Don with details of who is attending next Wednesday. We look forward to a fantastic day with a great presentation to follow.

Wednesday Cadets – Wednesday 12th December

We had 17 Cadets in attendance this week and 2 Juniors. **Bill** and **Sophie** played holes by themselves.

Mal took **Keith, Xavier, James, Nicholas** and **Dylan** to the range and were joined by **Matt** when he arrived.

Graeme had the advanced Cadets, **Lachlan, Jacob** and **Max**. Once again, he was impressed by how these boys continue to improve. With continued effort we hope to see these boys progress to Juniors next year.

The remainder of the Cadets were split into two groups to do chipping and putting activities. Kathy and I took **Cooper, Thor, Lucas** and **Luka** to the chipping green first. The standard set by these boys was consistently high as they had no problem getting the ball nicely in the air. Congratulations to **Thor** who won a closely fought competition.

After the swap we were joined by **Lily, Bronte, Neve, Brianna** and **Isabella** who enjoyed her first day off the range. She did very well for her first day of chipping and was able to watch how beautifully our experienced girls were able to get the ball in the air. Our birthday girl **Bronte** was the winner on the day and she showed she is ready to move on to Advanced Cadets next year.

Cadet Master Keith assisted by Belinda, who may join us next year as a Cadet Master, took two groups on the putting green. The green was set up (painted circles, spots, lines, etc) with various challenges, where cadets putted for points. The first group consisted of **Neve, Bronte, Lily, Isabella, Brianna**, and the second group was **Cooper, Thor, Lucas** and **Luka**.

Both groups focussed and tried so hard and we saw fantastic putting. **Neve** won the putting for the girls. Well done girls and especially **Neve**. For the boys **Cooper** was the stand-out

putter today with many putts in, but also included three putts sunk in a row. **Thor** won a special award for also holing three putts in a row.

Well done both groups, we all had a fantastic day

Thursday Cadets - Thursday 13th December

Unfortunately, the final Thursday Cadet afternoon for the year had to be cancelled due to bad weather.

Junior Clinic – Friday 14th December

With only **James** attending this week the clinic was called off. I would like to take this opportunity to thank our Professional Mal for the time he has spent with our Juniors on Fridays this year. We look forward to continuing next year and inviting our more advanced Cadets to attend in preparation for progression to Junior ranks.

A big thanks to Keith Sutherland for doing the reports while I was away. Great job Keith!

See you all next Wednesday for our final week of the year.

Marg
