MiClub On-line Competition Golf Booking

Approved BOD 18.12

Previously considered at BOD: NA

Replaces: NEW

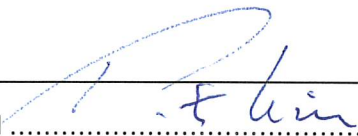

Page: 1 of 2

Persons Affected: All Golfing Members

Effective: 20/12/2018

1. The use of the MiClub on-line golf booking system is a privilege of membership.
2. Golfing Members may book themselves and a maximum of three others (Members or Visitors) into the field on any one competition day.
3. A Member may make only one Visitor booking per competition. Members wishing to book multiple Visitors for one competition must contact the Captain.
4. For golfing activities, a Guest of a Member is a Visitor who presents on the day of play to pay for a competition or social round in the company of a Golfing Member (who must be playing in the same competition or in the same social group) and who, provided the Member presents their membership card, has then been granted a discounted green fee. For competitions, the Visitor may have been pre-booked in a normal manner. A Member may not introduce more than twelve Guests per financial year and may use that allocation as they wish but subject to the Captain's permission if more than one Visitor is introduced on any given day.
5. Golfing Members who book a Visitor into a competition, either on-line or via the ProShop, must provide an authentic Golf Link Number and a contact email and/or telephone number (mobile preferred) for each of them. If the booking Member does not have this information, they may request of the Captain a reservation for the Visitor. Such reservation becomes liable to cancellation within two days of the competition.
6. A booking made by a Member for themselves, or for a fellow Member, or for a Visitor, affirms that the person booked has every intention to honour the booking. Members receiving notification that a booking has been made on their behalf must remove their name from the field without delay if they know they are unable to play on the day. A Member who has made a Visitor booking is responsible for it, and if the Visitor becomes unavailable, the Member must remove the booking as soon as possible.

7. The waitlist takes priority over other bookings. System administrators and the Pro Shop staff must not use the "swap" function of MiClub if there is a waitlist entry for the timeslot involved. The practice of filling a slot with a dummy booking to improve the chances of making a preferred replacement later is unacceptable. Repeat offenders may be requested to explain their actions to the Club Captain.
8. Whilst the Club recognises that there are many valid reasons to cancel a booking, a Member or a Visitor who repeatedly cancels their bookings inside 48 hours of the event may be called upon by the Captain to account for their actions. Members or visitors who are "no-show" for a booking may, on the authority of the Captain, have their booking privileges curtailed or constrained. This also applies to the Member who booked any Visitor who is a "no-show".
9. The Club reserves the right to alter the time of opening of the field to on-line bookings. Notice will be given for any change.
10. In the event of any uncertainty in the application of these rules, clarification from the Captain should be sought. The Captain's decision will be final.
