

Juniors/Cadets 2020 – Week 3, Term 1

100 Club – Saturday 29 February

Thanks to the O'Neill clan for doing the 100 club this week. What a good job they did, and with a smile. I was very impressed as I was given the winning spot, number 46!! Well done for drawing me out. (Keith)

Many thanks to Team Millard for doing 100 club on Saturday 7 March. Mum & Dylan masterfully sold all the tickets by 10am !

We are still looking for volunteers for March 21 (both shifts), 28th March (10-12) and April 25th (both shifts). Please email Grace (eppelstuns5@gmail.com) if you can help.

From Grace Eppelstun

Cadets – Wednesday 1 April

Wednesday was not a good day for golf as we had our second significant rainfall for this year. So while our gardens, the golf course and our water storages enjoyed the rain; Cadet golf had to be cancelled. The upside side is, the golf course looks magnificent and ready for Cadet golf this Wednesday.

This is the reason we cancelled!

Junior Clinic – Friday 6th March.

We had Sophie and Oscar joined by Luke, who I will assess for future clinics.

They worked on chipping actions from short distance to long distance using the same technique but different lofts to get different results. All three experimented with the different lofts, and all enjoyed seeing the end result.

Mal (Golf Professional)

We are looking forward to seeing you all this week. Bring your smiles, your `A' games, and let's see what you can achieve.

See you at Cadet Golf
