1. Members, guests and visitors are required to report to the Golf Shop before playing the course or using any practice facility.
2. All competition golf will be conducted according to the R&A/USGA Rules of Golf.
3. Only packaged alcohol purchased at the club may be taken onto the course. Beverage glasses served within the clubhouse are not permitted on the course at any time.
4. The dress code as displayed outside the Golf Shop must be adhered to.
5. Greens Staff have right of way on the course at all times.
6. Members transiting the course must give way to those playing the course. It is forbidden for any member not playing golf to be travelling opposite to the direction of play on, or adjacent to, a fairway if in range of a shot being played.
7. Players are not to hit up on preceding players.
8. Bunker rakes are to be placed **outside** the bunker, and where practicable away from the normal line-of-play. Rakes are to be placed with the handle parallel to the direction of play, and whenever possible on grass that is not cut to fairway length. Players must fill in divots, smooth footprints and leave the bunker as they expect to find it. Enter and leave only on the low side of a bunker and do not walk on its face unless it is unavoidable.
9. Players searching for a ball should signal the following group to pass through as soon as it is apparent that the ball is lost, and not after the three minutes search time has elapsed. Players must not continue until those who were following have passed through and are out of range.
10. A group which is falling behind and is more than one clear hole behind the group ahead **must** allow the following group to pass. Failing this courtesy, the group following should request and has the right to expect that they will be allowed to play through. A group losing one clear hole may incur a two-stroke penalty per player, pair or group, depending on the event.
11. The playing of a second ball (a maximum of two) is permitted in a practice round provided there are not more than two players in the group – three or more players can only hit one ball each.

12. Carts must remain outside the black line markings around all greens (if present) which indicate no-go areas, otherwise, they must remain a minimum of 10 metres from any tee, green or bunker (unless on a formed path). Carts must not be driven over mounds surrounding greens or through swales adjacent to greens.
13. Buggies, bags or carts are to be left on the exit side of the green and must not be parked directly in front of the green whilst putting.
14. Buggies and pull carts are not to be taken on to tees or greens.
15. All players are to carry and use sand to repair any player damage caused or observed around the course.
16. Use of the Practice Range must be in accordance with the displayed rules. Hitting from other than the defined area (red pegs), hitting beyond the range boundary and hitting balls back towards the tee area from the range is prohibited. All members using the range are to sand fill their divots before departing the range.
